Autumn Term Week 3

Your round-up of what's been happening in our school this week ...

Grafham Grange School

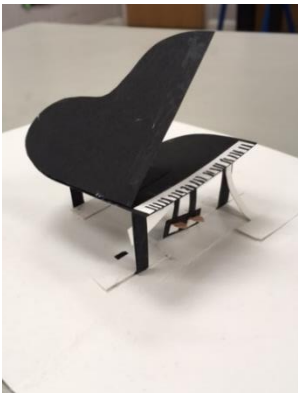

Building Better Futures

Teaching and Learning at Grafham Grange

A message from the Art Department...

A new term has started and already students are producing outstanding work in the Art department! KS3 have been looking at building technical skills through observational drawing. A range of materials have been used. Ben's oil pastel drawing of an oak leaf is particularly successful! I'm also really impressed with Elliot's pop-up grand piano (he made it as a birthday card for a member of staff!).

KS4 are working on their GCSE coursework and are exploring their own themes. Daniel SM has been inspired by Andy Warhol and Tyler by street artist 'Swoon'. These are skilful outcomes from the year 10 group! Luca from Newlands has worked very hard on his drawing of his favourite guitarist – well done!
